

U.S. Bank Focus Card text & email alerts

Feature overview

Text¹ and email alerts allow you to monitor your Focus Card account anytime, anywhere. Sign up for alerts today and receive notifications when money is added or when your card balance gets low. To learn more, log into your account at usbankfocus.com.

Enroll in two-way text alerts and text a short code to receive account updates. After you sign up, text the following codes to 90831:

BAL – Balance alert

DD – Direct deposit routing & account numbers

TRANS – Recent transactions

HELP – Customer service number

SAVE – Savings account balance

Sign up to receive email alerts about your card account along with the features and benefits of your card. The most common transactional alerts are:

Purchase alert

When you make a point-of-sale (POS) transaction, includes your new available balance.

Load alert

When funds are loaded to the card, includes your new available balance.

Low balance alert

When your available balance on the card falls below a set minimum.

To sign up and learn about additional text and email alerts, login to usbankfocus.com or download the Mobile App.
